Natural. Crafted. Responsible.

**WELCOME TO THE DECORATIVE
HARDWOODS ASSOCIATION®
97TH ANNUAL MEETING AT THE
KIAWAH ISLAND GOLF RESORT!**

Please wear your Decorative Hardwoods Association® name badge at all meetings and social functions. New Decorative Hardwoods Association® members will wear a badge with a “New Member” ribbon. Please introduce yourself, say hello, and help our new members enjoy the convention.

Dress is business casual.

You are invited and encouraged to attend all sessions.

Hotel check-in time is 4:30 p.m. and checkout is 10:30 a.m. Individuals who stay in their rooms past checkout time will be billed one additional night's stay. All guest rooms are non-smoking rooms.

The conference will be held at the East Beach Conference Center. Please see the schedule of events for the specific locations of each scheduled event.

Decorative Hardwoods Association® Mission:

To promote and support the use
of high quality, environmentally
sound, decorative wood products
manufactured in North America.

**DECORATIVE
HARDWOODS**
Association

Your productivity and quality is our goal

QUALITY & OUTPUT

From individual dryers with feeders and manual unloaders up to complete veneer drying lines with scanner and stacker:

- Improved energy efficiency with fully developed and reliable systems
- Longest veneer dryer in the world – 50 meters
- State-of-the-art technology for maximum performance and productivity
- Six-deck dryers with up to 6.2 m working width

Insure your future with the best in drying technology

thePENRODcompany.com

Not just another pretty sliced veneer face.

You've found your best source for sliced veneer faces. With a great selection of both sliced veneer and lumber from which to choose, St-Raymond Veneers has a tremendous inventory of domestic species—from cherry, maple and red oak to hickory, cedar and walnut—as well as more exotic species such as khaya and sapele, so you can enjoy the quality and convenience of immediate shipment on many products.

See what we can do for you.
