Sign Up Now For **GREAT GOLF** At The Decorative Hardwoods Association® 2019 Spring Conference

Join us for an enjoyable – and challenging – round of golf at Oakmont Golf Club, surrounded by the majestic Mayacama Mountains in Sonoma Valley wine country. The picturesque course, a par 72 layout built in 1964, includes two Ted Robinson designs. The front nine features small greens; most players aim for the center of the green and from there have a relatively short birdie putt. The back nine has larger greens and more yardage that require a longer iron into the greens. The course is easy to walk with incredible views on every hole.

Register for a round of golf when you register for our 2019 Spring Conference. If you've already registered, add this on by contacting Eva Mentel at ementel@decorativehardwoods.org.
