INTRODUCING PQUAL

STREAMLINED QUALITY WITH RELIABLE RESULTS

INTRODUCING CAPITAL TESTING'S PQUAL TESTING PROGRAM

What is PQUAL?

PQUAL is a testing program for rigid core flooring that makes it simple to evaluate new products and verify the performance of existing ones.

Who Needs PQUAL?

PQUAL is for flooring manufacturers, retailers, and distributors who want to quickly and inexpensively evaluate products for market-readiness.

Why Should I Join?

PQUAL streamlines your testing and evaluation process and gets your products to market faster. By joining the program, you receive:

- ✔ A customized testing program based on your needs
- ✔ 10% discount on all testing
- ✔ Summary test report for every product

From wear and impact resistance to environmental and flammability testing, PQUAL covers it all.

Make sure your product is ready for primetime.

Contact us about PQUAL today!
