HARDWOODS**
AssociationSM

2026
Annual Meeting

TUESDAY, MAY 12 – THURSDAY, MAY 14
ASHEVILLE, NC

Registration is open for the 2026 Decorative Hardwoods Association Spring Conference & 105th Annual Meeting. We'll convene from Tuesday, May 12, to Thursday, May 14, in downtown Asheville, NC, against the backdrop of the Blue Ridge Mountains.

If you thought 2025 was a year of change, buckle up for 2026. Experts and insiders will discuss trade policy and tariffs, economic trends and predictions, the EU Deforestation Regulation, and the market outlook and trade policy for cabinets.

This meeting in Asheville includes the rare opportunity to tour Columbia Forest Products' Old Fort plant and to see the Biltmore Estate, widely viewed as the birthplace of modern forestry.

Sign up today to claim your early bird discount.

All DHA members—leadership, executives, and staff—are encouraged to attend.
