

**DECORATIVE
HARDWOODS**
AssociationSM

2026
Annual Meeting

**TUESDAY, MAY 12, 10
AM – 2 PM**

**EXPLORE
THE BILTMORE
ESTATE!**

Join us to tour the gorgeous Biltmore Estate, widely viewed as the birthplace of modern forestry and the site of the country's first professionally managed forest. It's also the site of the first professional forestry school in North America, founded in 1898. The grounds can best be described as lush and verdant. Talk about timeless beauty: the estate itself features hardwood throughout, from parquet flooring and hand-carved paneling to grand staircases and intricate millwork.

Come explore with us, and bring your family or your team. Register for the Biltmore Estate tour when you register for our annual meeting and spring conference. If you've already registered, add this by contacting Eva Mentel at ementel@decorativehardwoods.org.
